Remember, entries are processed by postmark. Sending your entry through a postal service is recommended for this reason.

Because of limited stock, and the possibility of trials filling, we will be drawing for each trial separately if a draw is needed. This will give every dog a higher probability of getting into at least one trial. Details on request.

If the trials fill on opening day, a random draw will be held after the 10th day from opening day. You will then be notified of the status of your entries. Withdrawals of entries will be accepted, and a refund will be provided, for one week after this initial draw. Thereafter, no refunds will be made unless your run is taken by another entry. If your entry is not withdrawn, you will be placed on a waitlist using the same priority as the draw. Dogs on the waitlist that are not offered a run will be provided a refund after the trial.

Cattle arena is outdoors on gravel. Sheep, goat and duck arenas are outdoors on grass. In the event of a dog injuring stock, the owner/handler will be responsible for all vet fees, replacement fees (cattle – market value /sheep & goats \$400 /ducks \$40) and disposal fees.

ASCME, it's members and Trial Committee, host facility owners Cindy Reynolds and Greg & Laura Hamer and their associates, assume no responsibility for any loss, damage or injury sustained by any exhibitor, handler, dog, property, child or spectator. These trials are being held on private property. You understand by your attendance and/or entry that the Show/Trial Committee have the right to refuse or excuse any entry or spectator for good cause. Good cause would be violation of the private property owners' rights or violation of the ASCA show rules.

The Australian Club of Maine reserves the right to deny an entry or remove any dog on account of disease, aggression or other causes. No one shall have any recourse or claim against the Australian Shepherd Club of Maine or any official thereof. There will be no refunds for entries in the event a dog and/or handler is dismissed from competition, regardless of the reason for such dismissal. No entry will be refunded if the trial cannot open or be completed by reason of riot, civil disobedience, fire, an act of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.

Dogs must be confined or on leash at all times when not working. Individuals are responsible for any damage done to stock and/or facilities. Dogs that attack or maul any person, dog or livestock will be disqualified. Please pick up after your dog in all areas.

AWARDS:

Ribbons will be awarded for 1st thru 4th place. Qualifying prizes will be given.

There will be a High Combined award given to an Aussie, Other Breed and Started dog, for the seven trials combined. A dog's three highest scores on each stock, cattle, ducks and sheep/goats, will be used to determine the winner.

Please let us know if you could get your WTCH at these trials.
