

# Stockdog Training Clinic

Sponsored by ASCNE

Monday May 11 and Tuesday May 12, 2020

Riverbank Farm

557 West Salisbury Rd. Salisbury, NH 03268

7:30-5:30 each day

Clinician: Jim Hartnagle from CO

Livestock: Cattle, sheep, goats, ducks, ewes and lambs

This clinic will be customized for dogs and handlers of all levels of experience. General principles will be discussed and demonstrated throughout each day as well as during question and answer time frames. If you have a farm dog that you need help training or if you want to compete with your dog in the various herding programs, these clinic days are opportunities to work through problems.

Some samples of tasks to work on during the clinic days include: round pen exercises, small pen work, gathering, chute work, practical use of a dog, pasture walks, trailer loading and emptying, driving, and fetching

Fees: Two Days \$225 One Day \$150

Auditors: \$40 per day

All Fees will include lunch, snacks and beverages

Entries will open with post mark date of March 23, 2020

Entry checks can be written to ASCNE and mailed to Matt Mason

557 West Salisbury Rd. Salisbury, NH 03268

Please return this completed page with your entry to help organize the days.

Clinic Format: The plan is to provide each participant with 2 brief sessions (5-10) and one extended session (15-20) with Jim each day. Everyone is encouraged to watch and pay attention to other teams as they work with Jim as these are great opportunities to see problems that we may each experience with our dogs in the future. Each day, there will be time for questions to be answered in a group fashion and to discuss concepts associated with working dogs on livestock.
