

# PENNY ASC - Herding Seminar

**When:** July 7 & 8 2021 8:30 am – 4:00 pm - rain or shine

**Where:** 7393 Corby Rd., Honeoye Falls, NY 14472

**Instructor:** Diane Sobel-Meyer

PENNY ASC is hosting its third herding seminar and it is open to all breeds, and mixed. The seminar is open to all levels including the very first-time beginners. Diane will work with you at the level your dog requires.

Diane has been professionally training dogs for over 30 years. She has trained & competed in obedience, conformation, agility & herding. She also worked her dogs in Search and Rescue.

In herding, her dogs have earned many High in Trials, (Red has earned 55 HIT awards alone), High Combined overall (cattle, sheep, ducks), & High Combined Started dog awards, (Kate & Charger earned High combined Started dog at ASCA Nationals) at the local level & the National level. One of her greatest accomplishments was winning the ASCA Cattle Finals Champion in Greeley, CO in 2013 with Magnum!

Herding has been her main passion & she has been giving private instruction & group clinics for all breeds & mixes. Diane's students have been successfully trialing in multiple venues, with all different breeds.

She prides herself in thinking outside the box & working with each dog & handler individually, as no 2 dogs or people are alike. She also tries to break things down into small pieces/steps to make it easier for all to learn.

**What to bring:** Bring a chair, paper and pen for note taking, flat buckle collar, and leash. Bring rain gear just in case.

**Food:** Water and snacks will be provided. Everyone is to bring their own lunch.
