

## **DIANE SOBEL-MEYER CLINIC**

Friday, Saturday and Sunday

October 8, 9 & 10 2021

Hado Bar Farm

Nova, Ohio

**Diane** has been professionally training dogs for over 30 years. In herding, her dogs have earned many High in Trials, High Combined (cattle, sheep & ducks) & High Combined Started dog awards, at the local level & National level.

One of her proudest accomplishments was winning the ASCA Cattle Finals Champion in Greeley, CO in 2013 with Magnum. Also, Kate & Charger won High Combined Started dog awards at ASCA Nationals.

She has also trained & competed in agility, obedience, conformation & trained in Search & Rescue. Her dog Magnum was an advanced certified USAR dog for the NJ State Police Task Force.

Herding has been her main passion and she has been giving private instruction and group clinics for all breeds & mixes. Diane's students have been successfully trialing in multiple venues with all different breeds.

She prides herself in thinking outside the box & working with each dog & handler individually, as no two dogs or people are alike. She also tries to break things down into small pieces/steps to make it easier to learn.

Diane is available for private lessons the day before the clinic.

Rates including stock fee are \$75.00 for 1/2 hr. or \$105.00 for 1 hour for a handler with 2 dogs. The time span for lessons is limited to 8 hours. Sign-up information will be posted on our Events page.

Clinic Cost: \$360.00 per working slot (covers all three days)

All funds payable to Hado Bar Farm Foundation (HBFF)
