

Tenley Dexter Clinics at Hado-Bar in 2021

Tenley Dexter is returning to Hado-Bar Farm for two clinics this summer. She will be here May 21-23 and July 30-Aug 1. Both are three day (Fri-Sun) clinics. The following is an explanation of the registration procedures, similar to what we have done the last year or so.

Registration Procedures

1. There is an Opening date for Registrations for each clinic. No registrations will be accepted prior to that date and will be on a first received basis.
2. Registration will be guaranteed only upon payment. Checks will not be cashed until the week preceding the event but I will no longer accept email registrations with a promise to pay later. This resulted in too many occasions of my thinking a clinic was full and then at time of payment folks pulled out.
3. Cost is \$300 for a working spot for all 3 days or \$200 for a working spot for 2 days. We will NOT be offering working spots for only one day per Tenley's request. This price is a bit cheaper as we won't be offering any "extras" this year due to COVID. Cost to audit will remain \$25/day.
4. There will be a total of 12 working spots and unlimited auditing spots.
5. Due to COVID there will be NO FOOD OR BEVERAGES provided. Please plan to bring whatever you will need for yourself.
6. We will not have access to the "meeting room" as we have in the past. We will still have use of the barn should the weather turn ugly and force us inside. We will have a few ez-ups for shade etc. but, as usual, please plan to bring whatever you think you will need to be comfortable being outdoors all day.
7. With the final confirmations, sent closer to the date of the event, I will clarify any COVID restrictions, if any. At a minimum I think it's safe to assume we will be requiring 6' social distancing. It is too early to specify if any other restrictions will be needed.
8. Checks should be made payable to "Sally Boarman" and mailed to 8658 Slocum Road, Ostrander, OH 43061 along with the following information: Dates you are requesting to attend, Working spot or Audit, Name of dog, Breed of dog, Your name and email address.

May clinic - Registration will Open April 14, 2021. Please plan to send your payment so that it is not received prior to that date. If it is received too early, I will be returning it to you.

July clinic- Registration will Open June 14, 2021. Please plan to send your payment so that it is not received prior to that date. If it is received too early, I will be returning it to you.

I hope that I covered everything. Let me know if you have any questions. We look forward to seeing you this year at another fabulous training opportunity with Tenley. Feel free to share this information and/or send me the email address of anyone who would like to be added to our list.
