White Bucket Award - Have the stock ever gotten the best of your dog and you needed to grab that white bucket full of yummy grain to lure them back? This award is for you! This unofficial award is gifted to the run of the day that just had some bad luck. Perhaps you had a perfect run besides the stock running away at the cross drive. Or they were just too stubborn to go into that take pen. Or they got through the chute only to turn around and daylight. We've all had those runs! A qualifying score is not needed, however; pure determination, grit and effort on both the part of the dog and handler are what the judge will be looking for when they choose the recipient. White bucket is filled with treats, toys and goodies for both human and dog alike. One white bucket gifted per day. Joyce Norris will determine the winner on Saturday, and Debbie George will determine the winner on Sunday. Proudly donated by Twin Birch Farm.

Proof of current rabies vaccinations must be furnished upon request. Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable disease and have appropriate vaccinations.

All dogs must be held on leash, except during trial. Dogs must be kept a suitable distance away from the trial area. Handlers should bring water and shade and pick up after their dogs.

This Show will be open from 9 AM until 1 hour after awards are completed. Consult judging program for time of judging.
